2019 LEADER'S GUIDE

Introduction

The Overland Trails Council has teamed up with Virginia Diner to bring a spring product sale option to our units. In an effort to allow Scouts to be thrifty and pay their own way, the sale is designed to help units raise funds for summer activities. Many packs, troops, and crews fund their unit through the popcorn sale in the fall, and use the spring nut sale to “fund the Scout”. This is a great opportunity to help raise the funds necessary to give each youth the opportunity to attend camp.

Sale Highlights

- This is both a Show & Sell and Take Order sale. Units can do one or the other or both.
- **The unit commission is 40%.**
- The Take Order works much as our popcorn sale. Scouts us an order sheet to take orders from their customers, then deliver the product and collect the money later.
- Chocolate products are only available with Take Order sales. This is due to the nature of the product and storage temperature concerns.
- The Show & Sell allows units to buy the product by the case and sell it directly to the customer with no waiting.
- Units must buy Show & Sell products by the case but will be allowed to return unsold product to the council by March 25, 2019.
- The council will have extra product on hand in case a unit runs out of Show & Sell product.
- All sale information can be found online at www.overlandtrailscouncil.org/programs/nut-sale
